I walked outside the evening 1/9/09 to lock all cars and equipment before returning to the truck and television. I saw the neighbor outside in his briefs hanging on the glass of his tractor trailer truck. I whistled at him in my driveway. No response. After several attempts of shouting his name I walked next door to make sure things were o.k. He told me that he had to get in his truck. I asked why. He replied, I have to get in the truck. He asked me how to get in the truck. I told him he could use a gun. He said he ~~had~~ had all his guns at his dad's house. I then told him he could use a rock. I knew something was wrong so I told him that I would look for a rock. I walked on the side of the house and called the son Richard. He proceeded to take something nearby to break the driveway window and drive the truck into the Mercedes parked in

front of it. He pushed the Mercedes in the  
mud and backed it back into the  
driveway. He walked back in the house and  
walked across the street to tell the neighbors  
across the street to not worry everything  
would be o.k. He then came out of the  
house and took off down Blue Marlin  
Drive. THE FOLLOWING Q/A BY DEP S.T. BROWN, AS ANSWERED BY WITNESS:

Q: WHEN THIS INCIDENT OCCURRED, DID YOU ATTEMPT TO CONTACT "9-1-1" FOR ASSISTANCE?

A: NO, I CONTACTED HIS SON, RICHARD, TO TELL HIM SOMETHING WAS WRONG WITH HIS DAD.

Q: WHEN YOU WERE TALKING TO YOUR NEIGHBOR (RICK), HE WAS WEARING ONLY UNDERWEAR?

A: YES, THAT IS WHY I KNEW SOMETHING WAS WRONG WITH HIM.

Q: WHEN YOU WERE SPEAKING TO HIM, HE WAS NOT ACTING NORMALLY?

A: NO

Q: WHY DID YOU SUGGEST HE "USE A GUN" TO GAIN ACCESS TO HIS VEHICLE?

A: WELL, THAT WAS WHEN I WAS TALKING TO HIM FROM ACROSS THE YARD, BEFORE I WALKED OVER TO HIM  
AND SAW HIM UP-CLOSE, THEN I REALIZED HE DID NOT LOOK RIGHT.

Q: THAT IS WHEN YOU CALLED HIS SON, CORRECT?

A: YES, I WALKED OVER AROUND THE SIDE OF THE HOUSE SO HE COULD NOT HEAR ME TALKING ON THE PHONE.
